ECONOMICALLY MARGINALIZED PEOPLE ACROSS THE GLOBE RECOGNIZE THE URGENCY TO JOIN TOGETHER ADVOCATE AND ADVANCE A NEW ECONOMIC ORDER. MLK GLOBAL ADVOCATES DOING THIS BY BUILDING ON KING’S VISION FOR AN ECONOMIC BILL OF RIGHTS, INTERNATIONALLY.

MLK GLOBAL SEES THE ECONOMIC BILL OF RIGHTS AS A WAY TO ADDRESS THE TRIPLE EVILS BY RE-SHAPING CAPITALISM, DISMANTLING RACISM AND RESISTING MILITARISM. MLKGLOBAL WILL LEARN FROM KING’S LEGACY AS WE CONFRONT THE REALITIES OF INJUSTICE IN OUR 21ST CENTURY WORLD.
‘The Triple Evils of POVERTY, RACISM and MILITARISM are forms of violence that exist in a vicious cycle. They are interrelated, all-inclusive, and stand as barriers to our living in the Beloved Community. When we work to remedy one evil, we affect all evils.’

ORGANIZING OUR STRENGTHS

"The nettlesome task of Negroes today is to discover how to organize our strength into compelling power so that government cannot elude our demands. We must develop, from strength, a situation in which the government finds it wise and prudent to collaborate with us. It would be the height of naiveté to wait passively until the administration had somehow been infused with such blessings of good will that it implored us for our programs."

MLK Global believes that Dr. King’s analysis of the underlying structures that reinforce inequality speaks to peoples across the global north & south who share a deep desire for long-overdue change. MLK Global wants to see a renewed awareness of his 5-point Economic Bill of Rights, re-envisioned for today. Economic inequalities, racism, militarism & climate change are destroying families, communities, nations and the very planet we live on. The time to fulfil Dr. King’s vision of a “radical redistribution of power” is now.
